Courses

- Calculus / Differential Equations
- Linear Algebra
- Probability Theory
- Data Analysis, Regression, Time Series, Statistical Computing
- Quantitative Finance
- Mathematical Biology
- Data Mining
- Graph Theory
- Differential Geometry

Computer Science

ABET

#24 Computer Science Program in the USA

Study Areas

Artificial Intelligence, Big Data Analysis, Computer Security, Systems, Computational Theory

Courses

- Object Oriented Programming
- Data Structures
- System Fundamentals
- Computer Networks
- Algorithms
- Theory of Computation
- Software Engineering

Electrical and Computer Engineering (Electrical Engineering)

One of the Foundational Disciplines of Engineering

Study Areas

Semiconductor Devices, VLSI and Circuits, Digital Communications, Nanoelectronics and Photonics, Digital Systems and Computing

Courses

- Digital Logic Design
- Advanced Programming and Data Structures
- Electrical Circuit Analysis
- Electronics
- Electromagnetics and Transmission Line Theory
- Modern Circuit Board Design and Prototyping
- Semiconductor Devices
- Communication Systems

Mechanical Engineering

ABET

Accredited by the US Accreditation Board of Engineering and Technology

Study Areas

Engineering Design, Robotics, Thermal Sciences, Manufacturing, Dynamics and Control, Mechatronics

Courses

- Freshman Design Innovation
- Computer Aided Design
- Practical Electronics for Mechanical Engineers
- Engineering Dynamics
- Control System Analysis and Design
- Mechanical Engineering Lab
- Thermal System Design
- Manufacturing Processes

Technology, AI, and Society

Convergence of Engineering/Technology and Social Sciences (Management)

Study Areas

Entrepreneurship, Technology Assessment, Communication Technology, Data Science, Business Incubation

Courses

- Management for Engineers
- The Mobile Revolution in Development
- How to Build a Startup
- Information and Communications Technology for Sustainable Development
- Interaction Design
- Communication for Engineers and Scientists
- Applications Software for Information Management

Business Management

AACSB ACCREDITED

4 Specializations: Accounting, Finance, Marketing, Operation Management

Study Areas

Finance, Business Analytics/Ethics, Marketing, Entrepreneurship, Investment, Accounting, Financial Accounting, Organizational Behavior

Courses

- Decision Sciences
- Business Statistics
